

Sustainable Healthcare Academic Research & Enterprise

Conference 2020

Friday 1 May 2020
Checkland Building C122,
University of Brighton
Falmer campus, BN1 9PH.
Tickets: Free for students
Book online at
bit.ly/SHARE-2020

This conference will:

- ✚ explore the triple bottom line of sustainability within health and care settings
- ✚ inspire change towards more sustainable practices

All academics, research and clinical colleagues, and students from a wide range of disciplines who are interested in sustainable healthcare are invited to attend.

Call for abstracts

Are you involved with **research, audit, quality improvement** or **education** in sustainable healthcare? Submit an abstract to share your practices! **Deadline: 3rd February 2020 at 10am.**
Email your abstract to sustainabilityshs@brighton.ac.uk
